Gallery Hours: 12 – 6 Tues – Sat (to 8 on Fri) & 12 – 4 Sun

www.brightspace.com.au

In their commitment to breaking ground and supporting emerging local talent, Brightspace and the City of Port Phillip are proud to present ***bits and pieces***, curated by St Kilda artist Bonnie Gillard.

bits and pieces is a large exhibition presenting Melbourne's own renowned street and fine artists. The style of art will vary from painting (aerosol & brush), sculpture, soft toys and installation. There will be a balance between emerging and established talents, whilst also giving street artists, a chance to exhibit their work within a conventional gallery, making it accessible to a wider audience and buyers.

Far from being overlooked as merely 'scrawl on a wall', street art today is a thriving youth culture, generating intense excitement at the cutting edge of 21st century art and fashion. With our local talent amongst the forefront of the bustling street art scene, ***bits and pieces*** puts the City of Port Phillip firmly back on the map as the creative heartland of inner city Melbourne.

Along side the exhibition there will be entertainment from Dj's specialising in Hip Hop and street related breaks insisting on the festive party spirit.
